Axel 2 Executive

THE DESK DESIGNED TO LEAD

desks international™

Axel 2 Executive

The desk designed to lead

The AXEL 2 Executive desk is designed for those who set the tone, bringing together refined aesthetics and exceptional performance in a single, commanding piece.

Its contrasting finish and soft, rounded lines draw from a world of inspiring residential interiors, giving the desk a contemporary presence where the craftsmanship speaks for itself.

With electric height adjustment, it adapts effortlessly to the rhythm of the day, supporting the clarity, composure, and freedom of movement that effective leadership demands.

Building on the success of its sit-stand desks and tables, the AXEL 2 range now steps into Executive territory, where elegance and ergonomics come together at the highest level.

ELEGANT DESIGN INSPIRED BY RESIDENTIAL INTERIORS

Designed by EOL, AXEL 2 Executive desks assert a distinctive contemporary identity inspired by premium residential design. Rounded lines combined with refined dual-tone finishes create a visually light, harmonious, and sophisticated ensemble.

SOLUTIONS TAILORED FOR EXECUTIVE SPACES

The AXEL 2 Executive pairs a sit-stand desk with a coordinated storage unit, creating a workspace that is as functional as it is cohesive. The storage unit, available in two configurations, has been purpose-built for executive environments and integrates naturally with the desk. Three dual-tone finishes are offered, with optional additions including a decorative leg panel for cable routing and a modesty panel for a more refined, private feel.

SUZY low tables

Strengths

PERFORMANCE & WELL-BEING:

› Prolonged periods of sitting take a real toll on both health and performance, something no organisation can afford to overlook.

› The AXEL 2 height-adjustable desk makes it easy to move between sitting and standing throughout the day, reducing sedentary habits and supporting the focus, energy, and well-being that sustained performance requires.

› For companies serious about creating healthier, more dynamic workplaces, the AXEL 2 sit-stand range offers a straightforward and effective answer.

Style et design

› Conceived by the EOL Design Studio, the AXEL 2 Executive draws its identity from contemporary lines inspired by the world of high-end residential interiors.

› Its dual-tone finishes bring warmth and contrast to the overall aesthetic.

› Subtle details and carefully considered finishing touches reflect the level of craft and attention that goes into every aspect of its design.

Seamless & discreet cable management

› An integrated connection unit built into the desktop ensures easy, direct access to power and connectivity.

› Optimised cable management ensures maximum discretion and a clean workspace.

Elegant & functional storage

› Thoughtfully designed to keep documents and personal belongings accessible yet secure.

› Available in two configurations:
3-drawer unit
2 open niches with a lockable door

› Designed to integrate naturally with the desk leg, combining a seamless aesthetic with effortless day-to-day access.

Configuration ideas

Meet and share ideas

Sit comfortably to focus

Switching to a standing position keeps energy levels up and sharpens performance throughout the day

Options

Decorative leg panel

A dual-tone melamine panel, coordinated with the storage unit, wraps the desk leg in a refined and cohesive finish.

Modesty panel

An optional melamine modesty panel with rounded corners is also available, adding a refined sense of privacy to the overall piece.

Monitor arms

For greater ergonomic flexibility, a single or dual monitor arm can be added, fitting directly into the pre-drilled opening in the desktop.

Zooms

Residential-inspired design
Rounded lines and a play of dual-tone finishes.

High-performance motorised system
Dual motor system
Height adjustment from 65 to 130 cm
Fast lifting speed
Integrated anti-collision system
Memory control panel with USB A & C charging ports

Easy connectivity
Integrated dual power outlet module for quick and effortless access.

Secure storage with premium finishes
Lockable door and drawer
Elegant handles
Soft-close mechanism

Complete & discreet cable management
a fully optimised cable run extending through to the storage unit, with a hinged cable tray to neatly house the connection unit and cables out of sight.

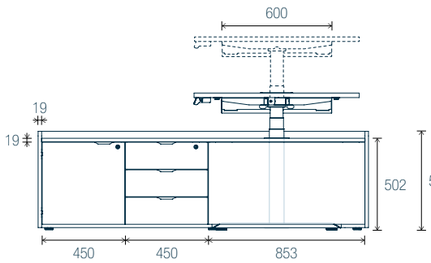

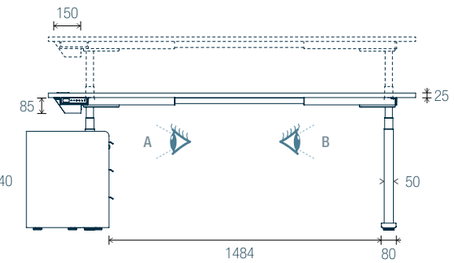

Storage available in 2 configurations
Choose between a 2-niche or 3-drawer configuration to suit your needs, for a workspace that stays ordered and uncluttered.
