

Guest

A RECEPTION AREA THAT'S TRULY YOU

GUEST is an ultra-customisable range of reception counters.

Made
in France

Thanks to the different modules and large choice of finishes and effects, with GUEST you can create a unique reception area.

Strengths

Decorative

Structural base in white melamine, with optional decorative accessories

Multiple layout options to suit different uses

4 modules that can be combined in different ways

Optimised for user comfort

Intermediate legs positioned to maximise leg room

Cladding

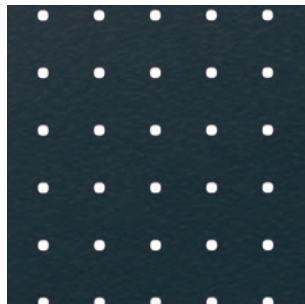

Wood-effect or plain melamine

Perforated metal – diagonal pattern

Perforated metal – leaf pattern

Perforated metal – dot pattern

Decorative accessories

Plain metal counter-top shelf

Counter-top shelf with lettering + optional white/coloured LED backlighting

Cable management

^
Cable ports as standard
(except on DDA modules)

^
With or without scalloped edge
For monitors up to 22 inches

^
Metal cable trough
For cable routing (optional)

Configuration ideas

Closed counter

Put 2 corner modules (right & left) either side of a high module for extra privacy and a tidy appearance at all times

Open-ended counter

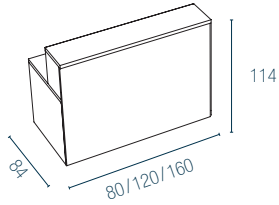

Place a DDA module at the end of the counter or between 2 high modules so guests can sit or stand

Overview

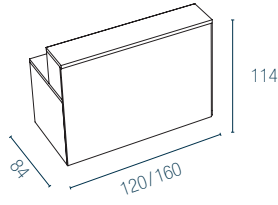

Modules

High modules

Standard worktops with 2 square cable ports

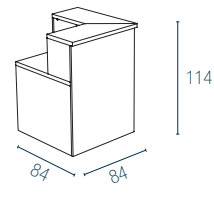

Worktops with a scalloped edge + pre-drilled holes for optional cable ports

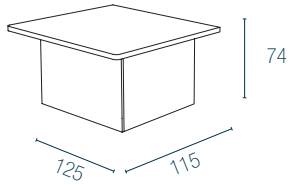

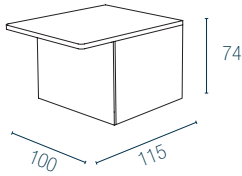

Corner modules

90° right or left

DDA modules
