

Conect

THE PERFECT DESK FOR SHARED WORKSPACES

Bridge legs base with clean lines and a slightly raised worktop for a more ethereal design... CONECT brings lightness to the workplace.

Made
in France

The one-piece structure makes this the perfect desk for shared desks, and the starter/add-on system allows any number of CONECT desks to be joined together as required.

Strengths

Timeless design

One-piece bridge legs with rectangular section (60 x 30 mm)

Clean lines

Raised worktop to create a light, airy feel

Cable management

Cable ports, scalloped edge, or top-access module

2 types of bridge legs

Fixed-height

H. 73.5 cm

Height-adjustable

H. 62 to 86 cm

Option

Clip-on cable casing

Allows cables to be routed down the leg

 **Configuration ideas**

Work

Maximise the work surface by placing a structural pedestal below the return

Storage

Positioned on the right or left, in a single-access or dual-access version, the easy-reach storage unit provides both storage and a return surface

Overview

Individual desks

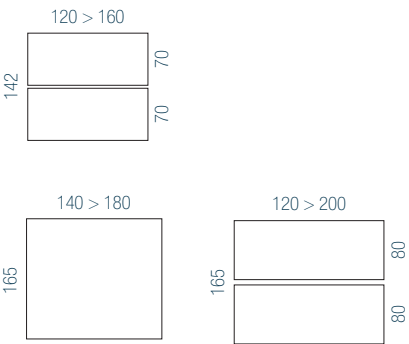

Individual desks with storage units

Shared-structure desks

Available with fixed or sliding worktop

Melamine Worktops (thk 25 mm)

Metal Legs

More choices available

Teamwork

In clusters of 2, 4 or more, CONECT structures workspaces to encourage discussion and concentration

Meetings

Create a large work surface by adding extensions to a shared-structure desk with a single worktop
