The ceiling should be at least 2400mm high to facilitate installation.

The Soho, closeup

Special acoustic felt

- The interior felt looks and feels great. It's sound absorbing too.
- Our booths achieve Class B decibel reduction according to ISO 23351-1:2020. [Learn more.](#)

Fully equipped

- A motion sensor activates the LED light as well as the 2x ultra-silent ventilation fans.
- The fans extract 242 m³ / hour. This means the air is refreshed every minute.
- The Soho comes with a socket, USB-A & -C charge ports and a wireless phone charger.

Scratch resistant shelf

- Enough space to place all your gadgets.

NEW: Workstation

Your private office in an open plan setting

- A deeper version of the bestseller Soho model: **fits an office chair** ([see images](#)).
- Add a monitor to the back wall (monitor mount included).
- Get our [monitor & office chair add-on package](#).
- Extra deep shelf for more workspace.

Certifications:

We are one of the very few European phone booth & meeting pod manufacturers whose products are tested and certified by TÜV-SÜD with regards to:

- Product safety
- Electrical safety
- Factory safety

Access our [TÜV-SÜD certificate](#).

Our office phone booths and meeting pods have received TÜV-SÜD certification for fire safety. All our products have undergone rigorous testing and have been proven to meet the required fire safety standards.

Access our [fire safety certificate](#).

Ecovadis awarded us their Gold Medal, ranking us among the top 5% percent of companies assessed with regards to dedicated environmental initiatives.

The wood used in our booths is responsibly sourced. We are FSC certified, ensuring sustainability and environmental responsibility.

Our contribution to the environment:

800

The number of recycled plastic water bottles contained in the acoustic felt of one of our office phone booths.

25

The number of trees we'll plant in Madagascar per booth sold. The trees will extract over 7.5 tonnes of CO2 from the atmosphere over their lifetime.

(we plant trees worth £15 per booth sold via *Ecologi* - [see our impact](#))

2

The number of solar lights we'll donate to families in Zambia per booth sold, resulting in 2 tonnes of CO2 saved by not burning kerosene lamps, while providing 2,000 extra hours of child study time.

(we donate £10 per booth sold to [Solar Aid](#))

"Surely we all have a responsibility to care for our planet. The future of humanity and indeed, all life on earth, now depends on us." - Sir David Attenborough
